Aufgabe 1

Write about your morning at the shopping centre in an e-mail to a friend.
Say where you went and what you bought, and why. Use words like 'then', 'after', 'that' and 'because' in your text.

Start like this:
Dear Silas,
This morning I went to the shopping centre. It was great! First I went ...

to Media Park, there I looked for a mobile phone, but all of them were great. I bought the best one. Then I went to the Lotto-Totto Shop, there I bought lottery tickets for a friend. After that I met my friend in the park and I gave him the tickets. He was very happy because I bought a special one too. Then I went to an electronic shop and looked for a good computer game, but I didn't find one. After that I went to a toy shop to buy a lucky pig for my big class test in English. At last I went to the post office, because I wanted to write a letter to another friend who has no e-mail. Then I went home and counted my money, but I have got only one pound now.
Love Samuel
