The Music Club

My name is Juliet and I want to tell you something about the Music Club.

This year was a great year for the Music Club.

At the beginning of the year we met in the music room and learned how to play the instruments (1).

One day I was playing the violin while the others listened to the music I played. (2) That was hard for me but also very exciting. It is important also to listen to the others if you want to play together as an orchestra.

But the best part of the year was the Summer Show at our school festival. (3) We practiced hard.

First we chose some pieces of Mozart and Bach and distributed the instruments. Then we began to practice.

It wasn't easy and we often played wrong. But in the end the show was a great success.

We also went to the Opera House with Mr Miller and Miss Red. (4)

It was impressing to hear the professionals playing the same musical pieces we practiced. Mr Miller was very enthusiastic because he loves classical music (5) and Miss Red explained the orchestra to us and we tried to understand. But we got some great ideas for the Summer Show.

Choose the correct answer.

- ☐ sing songs and act sketches.

- ☐ they clapped their hands.
