

# Englischarbeit Klasse 7

**Thema:** Relative clauses, word families, Scotland

Name: \_\_\_\_\_ Datum: \_\_\_\_\_

Punkte: \_\_\_\_\_ / 40 Note: \_\_\_\_\_

Unterschrift: \_\_\_\_\_

**Good luck!**

## 1 Opposites – Write down the opposites.

|    | word        | opposite |
|----|-------------|----------|
| a) | empty       |          |
| b) | to remember |          |
| c) | cheap       |          |

|    | word      | opposite |
|----|-----------|----------|
| d) | to arrive |          |
| e) | dangerous |          |

\_\_\_\_ / 5

## 2 Word families – Fill in the missing nouns.

|     | verb             | noun             |
|-----|------------------|------------------|
| Ex. | <i>to invent</i> | <i>invention</i> |
| a)  | to discover      |                  |
| b)  | to explain       |                  |

|    | verb        | noun |
|----|-------------|------|
| c) | to decide   |      |
| d) | to arrive   |      |
| e) | to describe |      |

\_\_\_\_ / 5

## 3 Vocabulary

Translate into English.

Achtung: Schreibe beim unregelmäßigen Verb (h) alle drei Formen auf.

- |                  |       |                  |       |
|------------------|-------|------------------|-------|
| a) die Burg      | _____ | e) die Insel     | _____ |
| b) berühmt       | _____ | f) überleben     | _____ |
| c) der Dudelsack | _____ | g) der Wettkampf | _____ |
| d) die Krankheit | _____ | h) werfen        | _____ |

\_\_\_\_ / 9

#### 4 Jobs

What do these people do? Write a sentence with a relative clause.

**Example:** *a baker* → *A baker is a person who makes bread and cakes.*

a) **a vet** \_\_\_\_\_

b) **a lifeguard** \_\_\_\_\_

c) **a librarian** \_\_\_\_\_

d) **a plumber** \_\_\_\_\_

e) **a pilot** \_\_\_\_\_

f) **a mechanic** \_\_\_\_\_

g) **a dentist** \_\_\_\_\_

\_\_\_ / 7

#### 5 What is it? Who is it?

Explain these words. Use relative clauses.

Remember: who (or that) for people · which (or that) for things and animals

**Example:** *a clock* → *A clock is a thing which shows the time.*

a)

1 **a lighthouse** \_\_\_\_\_

2 **a neighbour** \_\_\_\_\_

3 **a passport** \_\_\_\_\_

4 **a twin** \_\_\_\_\_

5 **a kettle** \_\_\_\_\_

b) Now find three more words and explain them with relative clauses.

1 \_\_\_\_\_

2 \_\_\_\_\_

3 \_\_\_\_\_

## 6 Quiz: Famous Scottish inventors

Which invention belongs to which inventor? Write it into the table. Then say in one sentence why the invention is important.

radar · the telephone · a better steam engine  
penicillin · television · the air-filled tyre

| inventor                                          | invention                    | Why is it important?                                                                          |
|---------------------------------------------------|------------------------------|-----------------------------------------------------------------------------------------------|
| <b>Alexander Fleming</b><br>born in Darvel        | <b>penicillin</b>            | It is a medicine which kills bacteria. It has saved millions of lives.                        |
| <b>John Logie Baird</b><br>born in Helensburgh    | <b>television</b>            | People can watch news, sport and films at home.                                               |
| <b>Alexander Graham Bell</b><br>born in Edinburgh | <b>the telephone</b>         | People can talk to each other over long distances.                                            |
| <b>Robert Watson-Watt</b><br>born in Brechin      | <b>radar</b>                 | It finds planes and ships in fog or at night; it is used for air traffic and weather reports. |
| <b>John Boyd Dunlop</b><br>born in Dregthorn      | <b>the air-filled tyre</b>   | Bikes (and later cars) became faster and much more comfortable.                               |
| <b>James Watt</b><br>born in Greenock             | <b>a better steam engine</b> | It powered machines in factories and mines and helped to start the Industrial Revolution.     |

*(Begründungen sind Beispiele; jede sachlich richtige Begründung zählt.)*
