## Part A – Reading

**Read the story about Tom's camping trip. Then do tasks 1 to 4.**

### A wet weekend at Lake Hollin

- 1 Last Friday Tom Baker, 12, and his best friend Ruby went camping with Tom's uncle, Dave. They drove to Lake Hollin in Uncle Dave's old blue van. The trip took two hours.
- When they arrived, the sun was shining. The children put up the tent
- 5 next to the lake, and Uncle Dave made a fire. For dinner they had sausages and baked beans. Ruby doesn't eat meat, so she had a cheese sandwich.
- In the night Tom woke up. It was raining hard, and the tent was wet inside! Tom found his torch and woke up Uncle Dave. At two o'clock in
- 10 the morning they all ran to the van and slept there.
- On Saturday morning it was still raining. "Let's go to the village," said Uncle Dave. In the village there was a small museum about the lake. The children learnt that the lake is 40 metres deep. After that they bought hot chocolate in a café.
- 15 On Sunday the sun came back. Ruby and Tom swam in the lake, but the water was very cold. In the afternoon they packed their bags and drove home.
- "It was a funny weekend," Tom says now. "Next time I want to check the weather first!"
