Text 2: My week at Lake Wendle Read Priya's blog. Then do tasks 3 to 7.

- 1 Hi, I'm Priya. I'm twelve and I live in Leeds. In the summer holidays I spent a week at Lake Wendle Camp with my best friend Hannah. It was my first holiday without my family. We arrived on Sunday afternoon. That evening I felt a bit homesick, so I phoned my mum. After that I felt much better.
- 2 Hannah and I slept in a wooden hut with two other girls, Zoe and Lin. I chose the top bunk bed because from there I could see the lake. Every morning a loud bell woke us up at half past seven. Breakfast was in the dining hall, and on Tuesday and Friday there were pancakes!
- 3 On Monday and Tuesday we learned to paddle a canoe. Our instructor, Dev, was very patient with us. Hannah fell into the water twice, but she just laughed. The water was really cold, so she was happy about the hot shower afterwards.
- 4 On Wednesday it rained all day, and the boats had to stay on the beach. Instead, we built bird boxes in the workshop. Mine was a bit crooked, but Dev said, "Don't worry, the birds won't mind." I took it home, and now it hangs in our garden.
- 5 On Thursday evening there was a quiz night. Our team got 34 out of 40 questions right and came second. We didn't win the chocolate cake, but the winners shared it with everybody, so we got some cake too.
- 6 On Saturday morning my parents came to pick me up. Saying goodbye to Zoe and Lin was hard. We exchanged addresses, and we're going to write letters to each other. Next summer I want to go back to Lake Wendle – and this time I'll stay for the bike tour!

10 Would you like to spend a week at Lake Wendle Camp? Give two reasons.

Use information from Text 1 and Text 2. Write three or four sentences.

Example answer:

Yes, I would like to go there. I love water sports, and at the camp you can learn to paddle a canoe. I also like quizzes, so the quiz night on Thursday sounds great. And on Saturday there is a bike tour around the lake.

Expected: a clear answer (yes / no); two reasons with correct information from the texts (e.g. canoes / boat hire, bunk beds in wooden huts, workshop, quiz night, bike tour, pancakes); three or four understandable sentences. A "no" answer with two reasons from the texts (e.g. homesick, cold water, rainy days) is also correct.
